Community asked to help 1462nd Transportation Unit by donating items during second Care Package Drive

Donations can be dropped off at Howell Armory

LANSING-Once again, State Senator Valde Garcia, R-Howell, has teamed with local veteran's organizations and the 1462nd Transportation Company's Family Readiness Group to organize a care package drive. The group is asking the community to support their local military personnel who are currently deployed in Iraq, by donating items including clothing, food and books. The second drive will be held on Monday, June 7 from 7:30 a.m. to 5:30 p.m. at the Howell Armory, located at 725 Isbell Road, Howell.

"We had an outstanding amount of community support during our first drive," said Garcia. "On behalf of all our area soldiers and their families, I would like to say thank you for your donations. For our second drive, we are asking that donations include at least five of the same item so that we are able to evenly distribute goods amongst each of the five platoons that have been deployed from the 1462nd."

The Family Readiness Group, Rolling Thunder, American Legion and Veterans of Foreign Wars groups throughout Livingston County and Senator Garcia's office have established a Howell Care Package Drive Committee. The group intends to host various collection drives throughout the 1462nd's tour of duty.

Additional collection locations include:

- Hamburg VFW Post 1224, 8891 Spicer Road, Hamburg
- Brighton VFW Post 4357, 10590 Grand River Ave., Brighton
- Howell American Legion Post 141, 3265 W. Grand River, Howell

Items may be donated at these locations during normal business hours.
